

## Invitation to 4<sup>th</sup> Annual Dinner

---

The Hong Kong Insurance Law Association Limited (HILA) is one of the 57 national chapters of The International Association of Insurance Law.

With the support of underwriters, brokers, lawyers, academics and other intermediaries from across the industry, we undertake to promote debate, dialogue and collaboration between representatives of all sectors of the insurance law fraternity in Hong Kong.

*“HILA is dedicated to playing a proactive role in the development of insurance law in Hong Kong.”*

After a successful launch in June 2011, HILA has gone from strength-to-strength and the members of the HILA Board would again like to invite you to join us for an evening of drinks and dinner to celebrate, with the opportunity to mix and mingle with your fellow professionals.

This year, the newly appointed Chairman of the independent Insurance Authority ("the Authority"), Dr. Moses Cheng, has most kindly agreed to talk about the work being undertaken by the Authority, and his vision of the Authority and the insurance industry in Hong Kong in the near future.

We will also be presenting awards (HK\$5,000 and HK\$3,000) to the winners of HILA's student Essay Competition.
