Letter from the Board

Dear Sir / Madam

We write as board members of the Hong Kong Insurance Law Association Limited (HILA).

It is our pleasure to inform you that HILA is planning to hold its sixth annual "Speed Dating" – Insurance Students meet the Industry event at RPC offices in Quarry Bay on Tuesday, 19 March 2019 at 6-9pm. The event is designed to allow students of insurance and insurance law related subjects to meet potential employers and vice versa, in a relaxed social environment. It will be good fun.

The event aims to improve students' knowledge of what jobs are available in the industry and what the people doing these jobs actually do on a day-to-day basis. We are delighted to report that, according to positive feedback from the industry, several students have been employed by the companies they met at our events.

Over 50 students from City University, Lingnan University, the University of Hong Kong, the Chinese University of Hong Kong and Hong Kong Polytechnic University have participated in each of our past events which have been kindly sponsored by AIG, Allianz, American Club, Aon, CII, Gard, Hill Dickinson Hong Kong, Hong Kong Federation of Insurers, Holman Fenwick Willan, ICHK, JLT, Kennedys, Lloyd's, Mayer Brown JSM, MDD, RPC, SART Underwriting, Swiss Re, Zurich and many others. Each year our "Speed Dating" event is a great success.

How Can You Help?

The key to making this event successful will be participation by industry members, who are willing to give up an evening to talk to students and to raise the profile of the insurance industry with them. We would be very grateful if you and your colleagues could make every effort to attend. We would welcome human resources personnel, junior staff, industry veterans and anyone in between willing to share his or her experience of a career in insurance and to give the students a flavour of the huge variety of jobs available in the insurance industry.

Also, we would be grateful for some funding to cover the cost of the event. We are looking for contribution between HK\$1,000 – 5,000 per company/firm. In exchange, you may market your company/firm at the event.

We underline that sponsorship is secondary. The key is for the students to meet the industry. We look forward to the evening of 19 March 2019.

Yours faithfully

Board Members of HILA
